For how long is my GTP User Account accessible to me? You may use the one-time use Access Code only initially to set up your **GTP** User Account. Each time you return to **GTP**, you will use the Password and UserID you selected when you initially established your **GTP** User Account. In subsequent tax years, you may again access to your **GTP** User Account to retrieve a copy of past tax returns and to enter the new tax year’s information. **Please note that for each new tax year, you must obtain a new Access Code to reactivate your GTP User Account if you wish to complete a tax return for the new year.** A new Access Code may be obtained from your institution (if it has purchased a **GTP** Group Use License) or directly from **GTP** by purchasing an Individual License.
